

28 May 2021

Dear Parent/Carer

Thank you to all those who have returned their iPads today in school.

If your child did not return their iPad to their class tutor today, iPads will need to be returned to the main school office.

We have set a deadline of Friday 11 June for all iPads to be returned to the school, At which point, if the iPad has not been returned we will have to issue an invoice for the full cost of the replacement iPad, as per the terms of the Digital Device Policy signed when first collecting the iPad.

The iPad should be returned, along with the case, charging wire and charging block and if one or more of these are missing, a fee will be payable.

The iPad must also not have any form of activation lock on it, and as such you should ensure, before handing it over, that you are signed out of your Apple ID and iCloud.

Once returned school staff will check the iPad and may need to talk to you further about it.

I have received a number of questions about whether or not the iPads are available for purchase. Unfortunately, this is not something we can offer this year.

Finally, thank you in advance for your cooperation and assistance in helping us with this iPad collection. If you have any questions or need help ensuring your iPad is signed out of your Apple ID and iCloud please email digital.services@abbeytrust.org.

Yours faithfully

A Marshall

Mr Alastair Marshall
Head of Digital Services
