

September 2021

Dear Parent/Carer

We have had to change the date of our annual Open Evening to **Thursday 7 October**. In order for the school to be made ready and for the many students involved to go home, the school day will finish at 12.10pm and arrangements have been made for all school buses to depart by 12.20pm.

If this early closure creates a problem for you, supervised study facilities can be provided for students in school until 3.00pm, but there will not be special buses home at that time.

If you require your son/daughter to remain in school until 3.00pm, please sign and return the reply slip below.

If you have a child in Year 6 and are interested in attending our Open Evening, we have limited places due to Covid. Click on this link for information on how to book tickets:
