19<sup>th</sup> March 2020

Dear Parent/Carer,

Following the Government announcement yesterday regarding closures of schools from the 20<sup>th</sup> March 2020, we would like to reassure you that we are committed to the educational provision of our most vulnerable students and those children of key workers.

We would appreciate it if you could contact us as a matter of urgency if you are classified as a key worker and require us to provide provision for your child. It is imperative that we have a clear idea of the numbers of children who will be in the Academy in order that we can plan appropriately.

The current list of key worker roles includes:

- Medical professionals including doctors, nurses, midwives and paramedics
- Other health workers (those employed in a medical or health setting)
- Community safety (Police Officers and Fire Service)
- Educational professionals (those people who work in schools)
- Supermarket workers
- Delivery Drivers
- Those working in critical infrastructure (gas and electricity workers)

Please contact the Academy on the following:
