

2nd October 2020

Dear Parent / Carer

Compulsory Wearing of Face Masks

At Bishop Young Academy we take the safety of our students and staff very seriously, and especially so during the current coronavirus pandemic. As you know, in line with government advice, and following their 'Hands Face Space' Campaign, it is compulsory for all staff and students in the academy to wear a face mask on corridors and communal areas.

At the start of the school year, we purchased a stock of face masks and have given out a large number of these to students who sometimes forget to bring a mask to school. Unfortunately, it is not sustainable for us to continue to fund this.

Therefore, from **Monday 5th October 2020**, if a student forgets to bring their face mask to school, we will provide a mask to enable them to remain in school, but parents will be required to pay the cost of £1.30 via ParentPay.

Please remind your child to bring their face mask with them to school every day to keep us all safe.

Your sincerely

Mr D Kilkeny
Assistant Principal – Care and Conduct
