

18th January 2021

Dear Parent/Carer,

Re: Year 10 Parents' Evening Phone Consultations

We had planned to hold the Year 10 parents' evening in the academy on Wednesday 20th January. Unfortunately, due to recent government announcements we are now unable to do so. Our plan is to postpone these evenings and instead, your child's subject teachers will call you for a 5-minute phone conversation during the week of Wednesday 20th January 2021.

Please could you inform the school if there are any times or days where you will not be available to discuss your child's progress. I hope that you can appreciate that we will not be able to schedule the calls, but I am sure you will welcome the support that the teaching staff will be able to provide you with to help make home learning more manageable.

The teaching staff will have a lot of calls to make throughout the week, so please can I ask that you respect other parents and carers and keep to the allocated 5 minutes. The conversations should be focussed on your child's academic performance and conduct in that particular subject area only.

If you need to talk to the Head of Year 10 (Miss Haynes) regarding any other issues, you can do so by calling reception and making an appointment with her.

We were really looking forward to meeting with you all in January to discuss how well the Year 10 students had been working since September, despite the restrictions that we currently have to work around. However, it is still essential that we speak to you all so that we can continue working together to enable your child to achieve their full potential.

Thank you for your continued support

Yours faithfully,

Mr D Kilkeny
Assistant Principal Care and Conduct
