Dear Parent/Carer

PROTECTING YOUR CHILD AGAINST SERIOUS DISEASES

In **Year 9** your child is routinely offered two vaccinations. These are the Meningitis ACWY vaccine which helps to protect against **Meningitis** and **Septicaemia**, and the DTP (teenage booster) which helps to protect against **Diphtheria, Tetanus and Polio**. Your child may also be offered the MMR vaccine to protect against **Measles, Mumps and Rubella** if they did not receive it when they were younger.

How to give consent?

Please complete the online consent form AS SOON AS POSSIBLE as instructed below.

- Go to this website below or click on the following link. This will take you to the online consent form.
- <https://www.leedsimmunisations.co.uk/Forms/DTPMen>
- Choose and click on the **Year 9 DTP (Teenage Booster) consent form**.
- Enter a unique school code for your child's school.

The code for **Bishop Young Church of England Academy** is **EE144809** (please ensure you enter all letters and numbers)

We are coming into **Bishop Young Church of England Academy** on **25th November 2021** and **10th February 2022**.

Please complete this form as soon as possible. If we do not receive the consent form before the immunisation session, your child will not have another opportunity to receive the full vaccine course in school.

Please note - Even if you **do not wish your child** to receive the vaccination(s) it is important to complete the "refusal section" of the consent form so we are aware of your wishes.

Your child will bring a confirmation slip home when they have received their immunisation(s)

MISSED HPV IMMUNISATIONS DUE TO SCHOOL CLOSURES DURING LOCKDOWN

The outstanding HPV immunisations will be offered at the same time as the vaccinations listed above. If you have already completed the online consent form for HPV vaccination, please do not complete another one.

For further information about these vaccinations go to the www.gov.uk website and search “immunisations for young people” or click [here](#)
