

Actions and Information re. Covid-19 for Parents and Carers

Introduction

In a bid to minimise the disruption to our students' learning due to COVID-19 academy closure we have created this remote learning procedure guidance to best inform all stakeholders about the process of remote/online learning.

As an academy we have a range of online learning facilities available already for our students to access. This power point is designed to support our Bishop Young community to access remote learning and in some cases access teacher-led online lessons. Although this can never replace actual classes, we wish to replicate these as closely as possible with online learning spaces.

Aim

Our aim is for students to feel connected with their teachers and to ensure that online learning is effective, impactful and accessible.

To ensure this, all members of our Bishop Young community (leaders, teachers, parents/carers and students) need to be aware of the expectations, roles and responsibilities.

Principles of Online Learning during school closure

- During the school closure parents/carers will be provided with regular updates through our website, Facebook, Twitter, text and by email.
- Online learning for all year groups will be delivered using FOLDR for sharing work, setting deadlines and student work submission, if required. All students are expected to engage with the work set every day.
- Students should understand that the work is important and replaces regular school attendance. It is not optional.
- Learning should be engaging and productive.
- There should be a balance of activities i.e. using technology and not using technology.
- Online learning will be different for various age groups and subject areas throughout the school.
- Activities will aim to allow creativity and different outcomes depending on the students' level and ability.

Students are responsible for ensuring that they:

- Can access the Digital Resource Library via FOLDR
- Know their school email address:
- Can access class charts
- Can access the Digital Resource Library (Year 7-11)
- Know how to upload and download work onto staff hand in work folders on FOLDR
- **All students should take their class books home each evening and not leave them in their locker in case of unexpected closure.**

Accessing School Emails

To access your school emails, open a web browser and go to:
<https://outlook.office.com>

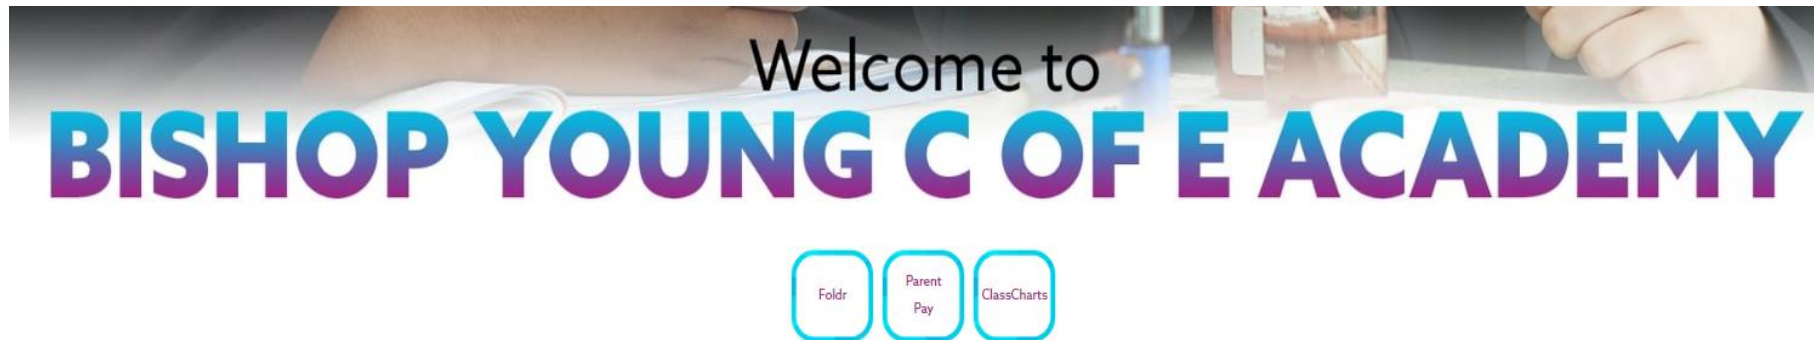

1. Open a web browser and go to: <https://outlook.office.com>
2. Enter your school email address, it will be your login username with “@bishopyoungacademy.co.uk” on the end.
3. Your password will be the same as your login, if you have forgotten any details see the “Request Password Reset” section

Installing Microsoft Office via Office 365

1. Open a web browser
2. Go to: <https://portal.office.com>
3. Login to your account (this is your school email address and login password), if you have forgotten any details see the “Request Password Reset” section.
4. Click the “Install Office” button located at the top right-hand side of the page
5. Click the “Office 365 Apps” option from the drop down menu
6. A file will download to your computer
7. Once the download has finished run the file that has just been downloaded
8. Follow the steps that the file will take you through until installation is complete.

How to access FOLDR:

1. It can be accessed from the academy website: <https://www.bishopyoungacademy.co.uk/>
2. Can be accessed from FOLDR icon on iPads
3. Username: is school email
Password: is school password for computers

Bishop Young Academy @bishopyoungce · 14h

If you have forgotten your computer log in details to access Foldr, please use this form to request having them reset:

form.jotform.com/200765364314048

These log in details will be sent to the main contact email address we have on file.

"What are my foldr details?"

Foldr Address: foldr.bishopyoungacademy.co.uk

Username: Same as your computer username

Password: Same as your computer login

How to log onto and RESET password in GCSE pod:

1. Open GCSE on the web browser: <https://members.gcsepod.com/login>
2. Click on students icon log in icon at top right
3. Enter school email address and your password.
4. Click **I've forgotten my login detail** to reset password.
5. If not logged on before, click on **New here, get started**.
6. Ask students in tutor time to spend some time becoming familiar with the use of the app and how to access materials.

Please can all form tutors check that all students in Year 9-11
a log on to GCSE pod.

INFO FOR PARENTS / CARERS (NO LOGIN REQUIRED)

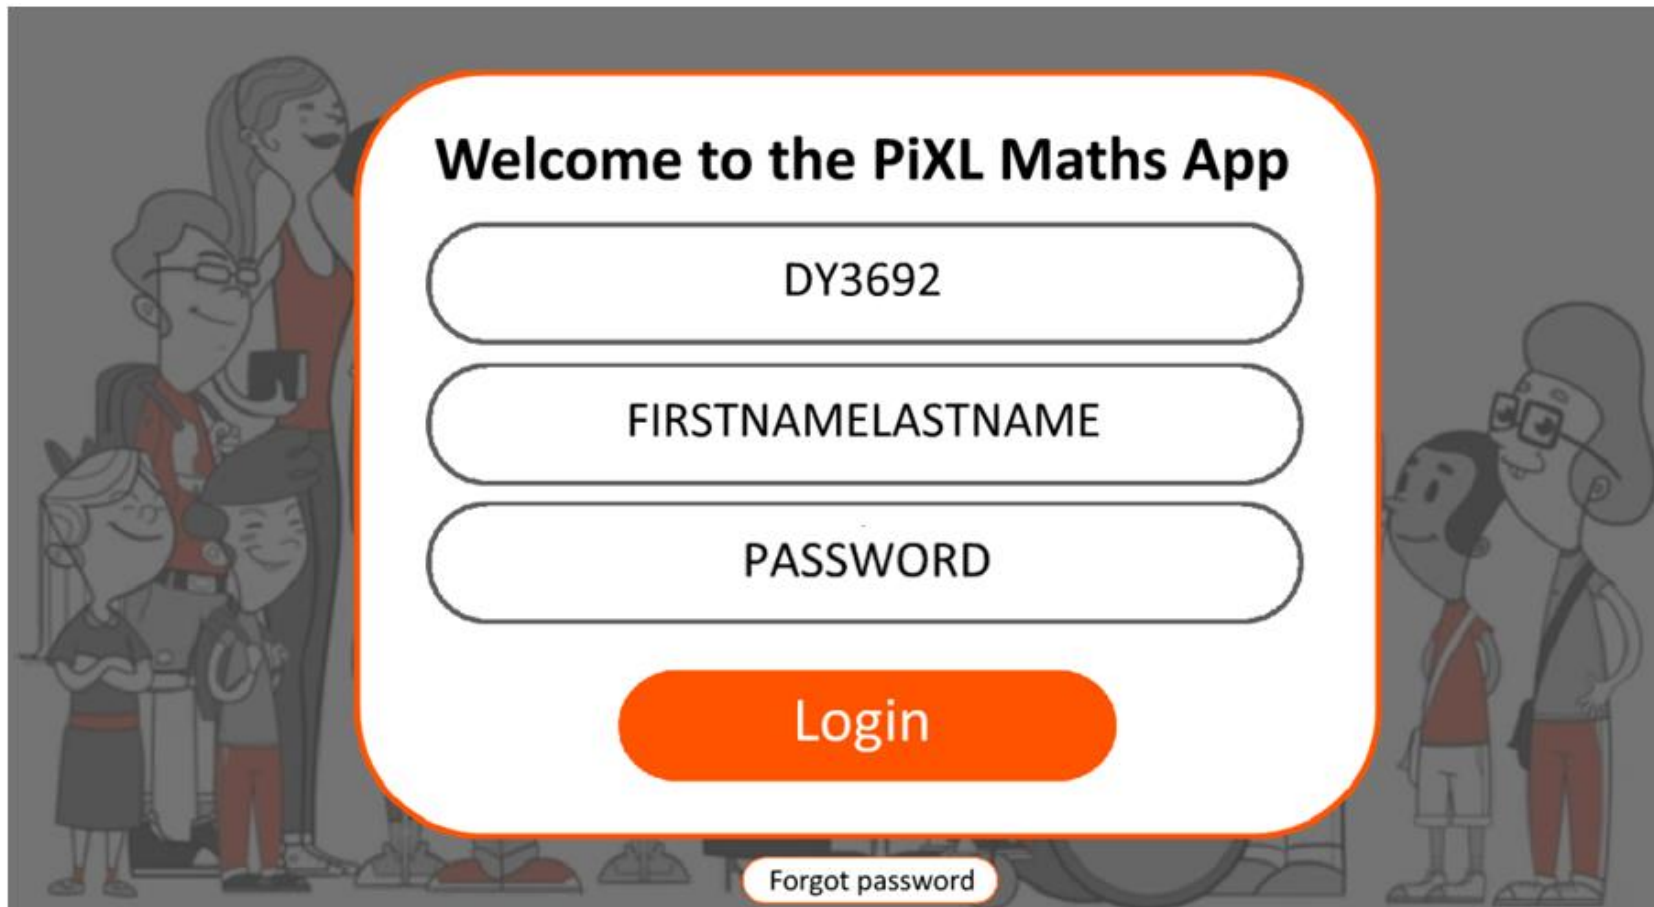

Educake (Science Work)

- Science questions have been set for the coming weeks on Educake (the instructions for which order to complete these lessons can be accessed in Foldr/Science).
- These questions will prepare you for upcoming tests, mock and final exams.
- <https://www.educake.co.uk/>
- **Username and Passwords have been recorded in your planners and if you need them to be reset, email your Science teacher.**
- When you have completed the work set on Educake, look at your year groups folder on FOLDER and complete any other assigned work.

How to upload and download onto FOLDR:

The 'Hand Work In (H Drive)' should have Folders in all labelled with the name of the teacher

For example: rcole – Rachael Cole

You can also contact teachers via email. Their address will be firstinitialsurname@bishopyoungacademy.co.uk e.g. Miss Cole's is rcole@bishopyoungacademy.co.uk

A list of Subject Leaders email addresses can be found on our website on our 'Contact Us' page.
