

Learning through Talk!

At Bishop Young Academy, we are passionate about the value of talk and the impact that this can have on the academic, social and emotional development of our pupils. We are proud to be an 'articulate academy', working in strong partnership with Voice 21, a leading organisation in promoting oracy education.

As part of our commitment to ensuring that our pupils are given as many opportunities to learn through talk, please feel free to use the following conversation starters when discussing home learning with your children. This will be a great way to encourage your children to process and reflect upon what they have learned that day... as well as a useful way of checking they are doing some learning each day!

'Teach me about...'

'Why do you think that is?'

'Can you tell me more about'

'What is the most interesting thing you've learned about today?'

'Why is this useful to know?'

Further to this, continue to check our Bishop Young Academy Twitter feed.

We will be setting daily 'BISHOP talk' challenges to complete as a family. We'd be delighted to hear about some of the fun you might have with these!
