

Behaviour and Conduct

Expectations in Live Lessons on Teams

- **Behaviour expectations are the same as if you were in a lesson in school.**
- Please make sure you are dressed appropriately and that the space you are using for the online lesson is appropriate and won't cause offence to others. Remember blurring your background is an option in Teams.
- Please keep your microphone on mute, unless directed otherwise by the teacher.
- The chat function on Teams should only be used when instructed by the teacher and anything posted should be related to the content of the lesson. It should not be used for messaging between students in a live lesson.
- All students should be considerate and make sure they do not disrupt the learning of others. Any students who disrupt a live lesson may be removed by the teacher and parents will be informed.
- You must **NOT** record/photograph the lesson on your phone and post this on you social media – anyone we find out has done this will receive a consequence.
