

27<sup>th</sup> February 2018

Dear Parent/Carer

I would like to clarify some information that was included in the last Principal's Newsletter.

Access to the school grounds

For safeguarding reasons cars will not be able to access the drive at the front of the main school building between 8.10am and 8.50am. Staff will be at the entrance to the drive to enforce this. In addition, the middle pedestrian gate adjacent to Cliffe Avenue will be locked at all times, as such students, staff and visitors will need to use the top pedestrian gate. Please take care when dropping students in the local area. Cars will be able to access the front of school as normal at all other times.

School uniform

We had to issue a small number of uniform passes yesterday for students who were wearing incorrect footwear. Please can this be rectified straight away, as any student not wearing shoes must have a medical note to avoid a detention. While I appreciate the weather is unseasonably cold at the moment, hoodies must not be worn inside the school building.

Bad weather

Should the school need to close due to bad weather parents will be informed by:-

- Text
- School website
- Calderdale Council website
- Local radio

Please ensure we have a current mobile number on our system. We will endeavour to open and expect students to do all they can to attend.

Please take a moment to read the parent advice on 'Snapchat' that has been sent to you this morning.

Can I thank you in advance for supporting these initiatives.

Yours sincerely

Mr T Rothwell  
Principal
