

December 2018

Dear Parent/Carer

We are writing to inform you about our new reward scheme at Lightcliffe Academy. This is to help us celebrate your children for demonstrating our school values outside of school hours.

As such, we have set up a dedicated email address for this purpose. Please use parentpraise@lightcliffeacademy.co.uk to inform us of your child:

- demonstrating our school values of Dignity, Aspiration, Respect, Endeavour and Service whilst out of school
- winning a certificate or award for out of school clubs or teams
- overcoming a fear or a particular challenge
- being a supportive or helpful member of your family /community
- taking part in charity events
- going above and beyond...

We will be offering extra recognition and rewards to those students who showcase themselves as excellent individuals throughout their lives both inside and outside of school. We would really welcome your involvement.

We look forward to hearing about all the fantastic things our students are doing!

Yours sincerely

B Cross
