31st December 2020

Dear Parents and Carers,

Return to school in January

Further to my letter sent on 21st December and in response to the government announcement made yesterday, I am writing to update you further on the plan for the start of term.

Monday 4th January – INSET day as originally planned.

Tuesday 5th January – Logistical planning day in order for us to begin to make the necessary arrangements to provide on-site testing and to plan remote learning.

Wednesday 6th January – We will be open to vulnerable children and children of critical workers. If you require provision for your child who falls into one of these categories, please email contactus@lightcliffeacademy.co.uk. We will contact you with further information on 5th January. We anticipate that this provision will only be needed for younger students, for all other students face to face learning will be replaced by remote learning.

Monday 11th January – Students in Years 11 & 13 will return to school. All other year groups will remain at home and access remote learning.

Week commencing 18th January – All students will return to school.

External exams in vocational subjects will go ahead as planned, parents of students sitting exams will be contacted separately next week.

Once again, please accept my sincere apologies for having to change our plans at short notice as we continue to respond to government guidance. May I take this opportunity to wish you and your family health and happiness in 2021 and thank you for your continued support.

Yours faithfully,

Roz Wood-Ives
Head of School
