Dear Parent/Carer,

To help us celebrate everything about our Year 1 children, we will be making a display about our class and would really appreciate it if you could answer the short questionnaire below and returning it to school.

What city and country was your child born in?

---

What city and country were you born in?

---

What city and country were any grandparents born in?

---

What languages are spoken at home?

---

Thank you for your help.
