A message from our Safeguarding Team

To maintain a high level of safeguarding, may we respectfully request that parents/carers do not post items to their children through the school fences during break times.

...a further safeguarding request

Please ensure your contact information is up to date. We should have at least two contact numbers in case we need to contact you in an emergency. If you need to change your contact details, please ask for a form at the office.

Half Term

School closes today for 1 week. We wish you all a safe and peaceful break and look forward to seeing you again on Monday 24th February.

School dinners

New menus for the remainder of the school year have been sent home. However, please note that for the first week after the holiday we will be using Week 1 from the **current** menu. The new menu will start with Week 2 on week commencing 2nd March.

The new menus look really exciting – if your child doesn't usually have school dinners, this would be a good time to encourage them to try the delicious food provided by Catering Leeds.

Please ask your children to let our kitchen staff know when they have enjoyed a meal.

For more information about the meals, please visit

Parking

PCSO Ali visited school today to talk to the children about road safety and traffic awareness.

May I politely remind all parents and carers to park safely around the school grounds at all times. It is preferable that you park further away and are a few minutes late than put children's lives in danger. I have requested a police presence at some of our busiest times and have asked for increased traffic calming measures in the area, however it is vital for day to day safety that you think carefully before you park.
