Newsletter 11th June 2020

Dear parents and carers

Welcome back to those pupils who have returned to school over the last week. The staff have been so happy to see you all! We have worked hard to ensure Christ Church is as safe as it can be and we review our risk assessments daily.

It is really important to remember that arriving in school at the allotted time for your child's pod, at both drop off and pick up, is vital to keep social interaction between different groups to a minimum. If you are late, the office need to be informed so they can come to the gate and take your child to their pod entrance.

Year 6 pupils will return in small groups over the next few weeks, as our classroom space is limited when using government social distancing guidance. They will take part in an art project to create a permanent reminder of the year of lockdown. School provision is being reviewed on a weekly basis as well as when each new group of pupils returns. At present it is looking highly unlikely that we will be able to accommodate pupils from Y2 to Y5 due to space, staffing and health and safety guidance.

Online learning will continue and so will phone calls home from class teachers, though they will not be as flexible in the times calls are made and getting back to you, as they are all teaching in pods.

Hampers will still be available on Thursdays for those who are receiving free school meals, but not attending school. If you no longer wish to receive a hamper please let the office know, or if you are struggling to pick it up please let us know and we can see if a member of staff can drop it off.

Guidance from the government is changing on a daily basis so we will try to keep you informed through text, email and our social media – follow us on Facebook as Christ Church Upper Armley CE Primary School and Twitter as @ccuaceprimary.

We look forward to seeing more of you in school over the next week and hope that you are all keeping well. If you need any help, or you have any worries or concerns, whether related school or not, please don't hesitate to contact us.

Miss Collier
Head of School
