

Newsletter 30th April 2021

Vision

Thank you to all the parents who took part in our live survey this week. They decided which words, chosen by our children, were the most important to them. If you did not get the opportunity to share your thoughts, please email the office – we would love to hear from you. The most popular words were – supportive, kind, respectful, happy, ambitious and confident. We will share these with our governors next week.

Year 5 Classroom news

Fractions and decimals are always a challenging concept to grasp so we used some maths resources to help us. This week, we used Numicon to add and subtract decimal numbers. We have also been creating art work in the style of Georges Seurat who used pointillism. Ask your child if they can explain pointillism to you!

Our Head Teacher Award Winners

Well done to...
