Parking

Help us keep our children safe

- Please do remember to park safely and walk.
- Please do not park on the yellow zigzags
- Please do not stop your car in the middle of the road for your children to get out - this is not safe.

We will pass on to the police the registration numbers of people who park dangerously.

Safeguarding our children is our priority

Year 3 Classroom news

Our topic in Year 3 this term is 'From the River to the Sea'. We have based our Artwork on this topic and explored the collages created by Patricia Greaves. She is a textile artist who uses felt to create beautiful, intricate collages and is inspired by the sea and the coast. We used felt and other materials to create our own collages based on the sea and the coast, and hope you agree that the children created some wonderful collages.

Our Head Teacher Award Winners

Well done to...

Reception class – Kian Roberts & Mark Wager
