This program begins at 12:30pm and ends at 3:15pm each day school is in session. Each day children will have quiet time, a snack and time for collaborative and independent work and play based on a selection of activities and materials available for these children. The cost is \$12.50 per day or \$1,800 to enroll for the entire year.

PAYMENT PLAN:

Tuition is divided into ten monthly payments beginning in August and ending in June. All accounts must be set up for automatic tuition drafts. Two (2) sources of payment are required.

A non-refundable deposit of \$500 is due upon enrollment and is deducted from your tuition balance.

SIBLING DISCOUNT:

We believe in family, and we encourage our families to consider sending all of their children to GCS. In support of this belief, we offer a sibling discount to families who have two or more children enrolled concurrently at the school. After the first child is enrolled, a \$250 discount will be applied to each subsequent child enrolled.

TUITION ASSISTANCE:

All tuition assistance is handled by School and Student Service for Financial Aid by the National Association of Independent Schools. This service is completely confidential. The School and Student Service for Financial Aid will then notify Greenbrier Community School of the application results. For more information please see our Tuition Assistance Information sheet.
