Alvarez Congratulates Longtime D2 Resident and Public Servant Ed Harris on Council Appointment

SAN DIEGO (April 7, 2014) – Councilmember Alvarez is very pleased to support Ed Harris as the appointed Councilmember for District 2.

“I look forward to working with Ed Harris as he assumes his role in representing the people of District 2,” said Alvarez. “As a lifeguard and veteran, Ed is no stranger to public service and I am confident he will bring his keen knowledge and experience of the needs of the district to this position. Ed has been a leader on environmental issues and I know he will admirably serve as a voice for our coast.”
