We missed you! Like really bad. We cannot wait to welcome you home to Clay's Park for TCF and TCF 2!!

Please note, the CDC advises that older adults and people of any age who have serious underlying medical conditions might be at higher risk for severe illness from COVID-19. Guests should evaluate their risk in determining whether to attend. People who show no symptoms can spread COVID-19 if they are infected. Any interaction with the general public poses an elevated risk of being exposed to COVID-19, and we cannot guarantee that you will not be exposed during your visit. By entering the grounds of your own free will, you assume the risk.

When The Country Fest gates open, we want you to have an awesome day of country music, cold drinks and that feeling that only live music can give you. We have developed the STOP LIGHT SYSTEM to help our staff, security and other Country Fest customers become aware of your comfort level while attending the event. Upon check in you can determine your level and appropriate standing/seating area. If you choose RED which means "STOP- I am keeping my distance" you will receive a red silicone non admission wristband.
