In preparation for 3 year old program in addition to our 4 year old Pre-K and Kindergarten classes, there are a few things you will need to know if you have a child you are interested in becoming a Warrior:

- Child must be 3 years old on the first day they attend class (if turning 3 after the first day of school, August 8, 2019, this may still be an option so please call for more info)
- Child must be potty trained
- In the event of a large group seeking admission to 3 and 4 year programs, children that demonstrate a higher educational or physical need will be given preference (students will be provided free screenings for determination). After this it will be on a first come first serve basis (fill out the form and get them back to us ASAP).

We feel these programs are an added benefit to the school as well as help the members of our community. We look forward to hearing from you. Go Warriors!

Little Warriors Bootcamp

This year we will be hosting a "Little Warriors Boot Camp" for *parents of current or incoming PreK 3&4 students*. There will be two opportunities to attend: Thursday, April 18 and Thursday, May 2- both nights will begin at 6:00pm. Please meet us in the blue PreK building across from the cafeteria.

This will provide an opportunity for us to meet you and we will share with you some fun and creative ways to help your child become ready for school in the fall! Summer is a wonderful time to try some of the awesome activities we will discuss on these evenings *and* it will be a great time for you to fill out their paperwork for enrollment.

Thank you! Hope to see you soon-Mrs.
