Dear Parents/Carers

RE: Parent Information Session – Maths Mastery

At St. Chad's, in line with developments in the teaching in mathematics, we embarked last year on mastery for maths as our approach to the teaching of maths.

At the end of last year, we invested in new resources and a scheme of work – Maths No Problem – to support this.

As Mastery for Maths is a new approach to the teaching of maths, we would like to invite you to our information session.

The session will run from 2:00pm until 3:00pm on Friday 5th October. It will be run by myself, Mrs Caygill-Boothroyd (lead practitioner for maths in our Trust) and Mr O'Dwyer (maths co-ordinator).

Please sign and return the slip below if you would like to attend.

Should you have any queries in the meantime please do not hesitate to contact me.

Yours sincerely

Mrs G Marsland

Assistant Head and Y6 teacher
