Year 3 – The Big Jump

It is a big leap from year 2 to year 3. This is the year of independence in the classroom. The best year. We will be encouraging children to become more autonomous, more questioning and more independent but thoroughly themselves.

School Uniform

IMPORTANT: IDENTIFICATION OF CLOTHING AND
PROPERTY

Please mark all items of clothing, footwear and other property brought to school with the child's name.

Lost property boxes are located in KS1 and KS2 cloakrooms.

School Uniform (continued!)

- **Hair Accessories:** Pupils should wear plain black, brown or green hair bobbles or hair bands. We politely request that your child does not come to school in brightly coloured, glittery or floral hair bands, bobbles or braids.
- **Jewellery:** Jewellery and nail varnish is not allowed to be worn in school. Pupils may wear a watch and those children with pierced ears may wear stud earrings, although these must be completely removed by the pupil themselves before PE. If your child is unable to remove them alone, please ensure they are taken out before they come to school on PE days.
- **Bags:** Due to limited storage space in cloakrooms rucksacks and backpacks are only permitted school with prior arrangement by the class teacher (storage of these will be arranged for the duration of the school day – pupils must have a reading folder inside of their backpack containing the items they need for the day). Every child should have a school book bag, which they should bring to school every day, containing their reading book. Year 5 and 6 pupils must also bring their charged iPad. Pupils will be provided with all of the stationery required; pencil cases and stationery are not required.

Maths

We are following Maths No problem Curriculum. This is a "new-ish" way of teaching maths with amazing results to support children's understanding – there will be a parent information session regarding this later this term. The aim is to deepen understanding and not just learn about the procedure. Times tables are fun.

Feedback and Marking

- Oral Feedback

Research shows that oral feedback is the most powerful form of feedback and has maximum impact when pointing out successes and improvements against learning intentions. It is interactive and developmental. It may give reassurance or a check on progress during a lesson or may be in the form of a learning review in a plenary session.

Feedback and Marking

- Feedback comments will be concise and precise to enable pupils to identify how to improve and how to extend their learning.
- We encourage pupils to engage in dialogue with the teacher (using green pen) as part of our feedback process.
- Pupils will be given opportunities to respond to feedback comments and to correct / edit their work and they will do so in green pen.
- We encourage peer evaluations to enable pupils to support and encourage one another. Peer feedback and marking will be in purple pen.
- Where a child has shown outstanding effort or achievement e.g. use of a particular good piece of vocabulary, we will highlight this in 'golden' pen.

Homework

- Reading and discussing a book with an adult
- Weekly spellings
- Weekly maths- sometimes this will be a Mathematics task.
- Half termly topic homework (pupils to choose one from a selection of tasks)
- Homework to go out on Friday and in on or before Wednesday- marked within 2 weeks.

Educational Visits and Visitors

- Clayton Park – provisionally booked for 3 October – Any volunteers ??
- Magnum – Sheffield May after SATs week
- RE visit – not planned as yet.
- Aiming to minimise costs – hopefully one other visit to fit in with topic

Behaviour and Discipline Policy

At St. Chad's Church of England Primary School we believe that the management of pupil behaviour is best achieved through praise and reward. We appreciate that children are still learning about acceptable behaviour and will need guidance and support as they evolve their own internal understanding. We also want children to appreciate the consequences of their actions and that this will involve the use of sanctions if appropriate. We acknowledge that learning about acceptable behaviour is not confined just to timetabled activities in the classroom but permeates the whole of the time which children spend on the premises or engaged in school related activities.

The rules are linked to the school mission statement 'In the Light of God, we care, we share, we laugh, we learn.'

Each class has a 'zone board' to reward positive behaviours and sanction inappropriate behaviour. Appendix I of the Behaviour Policy details positive and negative behaviours and agreed levels of reward/sanction.

Communication

Please remember the school website <http://www.st-chadsprimary.co.uk> includes a copy of all letters, the weekly and half term homework for each class, a copy of all newsletters (which include key dates) and a weekly bulletin of events.

Should you have any questions or concerns about your child the best person to speak to, in the first instance, is your class teacher. Whilst teachers are often available at the start and end of the day, to pass on a quick message, it is usually more productive to make an appointment to meet with the teacher to discuss more lengthy concerns. This gives the teacher the time to listen attentively to your comments in a confidential setting.

Our Assistant Heads of School, Mrs Marsland and Mrs Slorach, are happy to meet with you should you feel your concerns, comments or questions have not been answered or require the attention of a senior member of staff.

To contact a member of staff or to arrange a meeting with a class teacher please email or telephone the school office (office@stchadsprimary.net / 0113 2747110); they will be happy to assist with your request. Alternatively you could use the 'contact us' webform located under the 'contact us' tab in the first instance. Please do not email staff directly.

We will regularly communicate with you by email and text message. We DO NOT use WhatsApp as a method of communication however we DO intend to use Twitter more regularly this academic year.

Safeguarding – travel

When travelling to and from school please be cautious and considerate.

Please drive at a **safe speed** in the streets around school.

Please **park in a safe and considerate** place.

- **Sadly the streets adjacent to school are often viewed by children as unsafe due to adults making poor choices – driving too fast or parking in an unsafe manner. This is often due to time constraints; being 'in a rush' is not an excuse for endangering our children.**

Rule 243 in The Highway Code states that you must not Stop, Park, or Abandon a Vehicle

- In front of an entrance to someone else's property.
- On a road bend.
- Opposite a road junction or within **10 meters (32 ft) near junctions**
- Opposite another parked vehicle if it causes an obstruction.

Safeguarding - Attendance

In line with our school policy parents/carers are expected to:

- Ensure their child attends school and arrives on time every day.
- Promote a good attitude to learning by ensuring their children attend school in the correct uniform and with the basic equipment required for lessons.
- Not arrange medical and dental appointments in school time wherever possible.
- Telephone to inform the school between 8:15 and 8:45 on the first day of absence for their child.
- Provide a written explanation of absence, including dates of absence as soon as their child returns to school.
- Work in partnership with the school and other agencies in the best interests of their child; this includes informing the school about significant influences and changes in the child's life, which may impact on learning.

Attendance

- It is important that you contact school to inform us on the first day absence as this is part of our safeguarding systems in school. Failure to contact school may result in a home visit and/or school contacting social care, particularly if we are unable to contact you by telephone to ascertain why your child is absent.

Punctuality

- Classroom (KSI/FS) and cloakroom (KS2) doors will open at 8:50 and class registers remain open until 9:00am. From 9:00 am classroom and cloakroom doors will be closed and children must enter school through the main office accompanied by their parents. Parents MUST then sign their child(ren) into school as the registers will already be taken in class.

The Daily Mile

From May 2018 we have been trialling 'The Daily Mile'. EVERY CHILD IN SCHOOL PARTICIPATES

The aim of this is to improve the physical, social, emotional and mental health and wellbeing of our children.

The Daily Mile is a social activity, wherein the children run or jog – at their own pace – in the fresh air with friends. Children can occasionally walk to catch their breath, if necessary, but should aim to run or jog for the full 15 minutes.

To enable us to fit this in to a busy school day we have slightly reduced the lunch break to 45 minutes; we have monitored this closely to ensure that everyone still has time to eat their lunch and socialise with their friends and we have found the impact to be minimal compared to the benefits.

What you can do to help:

- Ensure your child is wearing appropriate footwear
- Encourage your child(ren) to do their best!

More information about The Daily Mile can be found at the following website: <https://thedailymile.co.uk/>
