To: Parent/Carers of Pupils in Year 6

Dear Parents/Carers

Re: End of Year

I just wanted to take this opportunity to send a closing letter to wrap a few things up and express my gratitude to you all.

The end of this school year has been one of many challenges and disappointments and my heart truly goes out to all your wonderful children. We have not been able to have a 'proper' goodbye by any stretch and for this to happen at the end of the primary school journey is devastating; however, I do hope that the production, assembly, beach trip, sleepover and the park, all helped in making lasting memories the children will carry forever - I certainly will (especially as the weather for the beach was absolutely perfect)!

With the end of a school year, unfortunately, comes a few little admin tasks. Please read the following carefully and contact the school office or me if you have any issues or concerns.

- **iPads:** As part of the digital device agreement signed at the beginning of Year 5 (some in Year 6), in order to avoid an invoice of around £300, iPads need to be returned to school ASAP. Furthermore, if an Apple ID has been used at all (I do not believe any child has done this), this needs to be logged out of. If the device is found to still have it on, the charge as aforementioned will be applied. Photos that the children wish to keep need to be airdropped or sent to another device (of which will be your own), as once the iPad is returned, everything will be erased.
- **Leavers Booklets:** These have been sent home with most of the children. If you wish for your child to have theirs (albeit incomplete), I will leave it with the office to be collected.
- **Bibles:** Children who are still in school and have chosen to have one, will be given theirs. If you are awaiting one, please pop by school to collect it. You do not need to do anything if you signed and returned the form to NOT have a bible.
- **Production and Leavers Assembly:** A link has been sent via email. Your child will still have their email and password login throughout summer. This is what is required in order to access this link securely. These login details are those used for Teams.

Lastly, I wanted to thank you all so much for your support, patience and cooperation during the entirety of this year. I have genuinely loved teaching your children and have enjoyed watching them become who they are today. I will truly miss them as they have been one of the greatest classes I have had the pleasure of teaching. I wish them all, and you, the very best with the next steps to high school and hope that they find the time to pop back and say hello in blazers that are bound to be too big for them!

Wishing you and all your family a wonderful, safe and happy summer.

Thank you once again.

Kindest regards

Mrs McVittie

Year 6 Class Teacher
