TOILET ACCIDENT PLAN

The Hollis Preschool philosophy is developmental and we believe each child will potty train at different times. Children will be changed and/or toileted as needed each day while at school. The preschool strives to ensure that each child's needs are met in a positive and appropriate manner.

In the event that your child does have an accident at school and soils him/herself, please check the appropriate method with which you would like the teachers to handle such situations:

Please change my child's clothing.

* *Alternate, labeled clothing must be sent in with your child to be kept at the school.*

Please contact me. I prefer to change my child's clothing myself.

** *Please note that in the event that we are unable to contact you, the teachers will change your child's clothing.*

Currently my child is:

in diapers / pull-ups

potty training

potty trained

****As soon as your child begins the transition to the next phase, please advise his/her teacher so we can assist.*
