OBJECTIVE

To produce excellent work in an inspiring work environment that promotes constant growth. I'm an observant Digital Designer that is curious and do not hesitate stepping out of my comfort zone and explore. I work well with within a team and I usually find a win-win situation for me and the people around me. Whether that is work related or simply when me and my friends are deciding where and what to eat together.

EXPERIENCE

FREELANCE VIDEO EDITOR

Netflix | 2018 - Present

Working as a video hook editor, pulling clips from movies and tv shows. Responsible for my own titles to upload each week.

FREELANCE WEB DESIGNER

Julian Redwood, Therapist | 2018 - 3 months

Designed and developed a new website for Julian Redwood, SF licensed Psychotherapist. We created a warm and welcome website, where it would be easy to contact him and read all the necessary information.

DIGITAL MEDIA INTERN

SNP Communications | 2017 - 3 months

Worked as digital media intern for SNP Creative Agency. I was responsible in updating their current site. Did some webdesign for clients and was PA on few video projects.

FREELANCE WEB DESIGNER

Technical school of Iceland | 2016 - 2 months

Was part of a small design & development team that created a website for a nationwide campaign called #kvennastarf in Iceland.

EDUCATION

MFA, WEB DESIGN & NEW MEDIA

Academy of Art University | 2015 - 2017 | 3.3 GPA

With the focus on UI/UX, I've gained knowledge in HTML, CSS and Javascript. Along with important design and user experience knowledge.

BFA, MOTION PICTURE & TELEVISION

Academy of Art University | 2010 - 2013 | 3.4 GPA

With the focus on video editing, I gained knowledge and experience in videography and editing. I was a student/athlete and I played three years with the Urban Knights on a NCAA II level.

MULTIMEDIA DIPLOMA

Technical College Reykjavik | 2008 - 2010

Where I first got introduced to the Adobe software. Created a shortfilm with my classmate and friend that won the audience award at the Reykjavik short film festival.
