**Professional Fees:** Our fees for medical services are comparable to other similarly trained physicians in the community and reflect the complexity of your specific needs, the physician time dedicated to your care, the specialized nature of the doctor's education and training and support costs associated with providing and coordinating your care. We will be happy to provide you with detailed fee information at any time.

**Patient Payments:** Co-pays, deductibles, services not covered by your insurance plan or outstanding balances are due at the time of your appointment. We accept cash, checks, and VISA, MasterCard, Discover and American Express. Returned checks will be subject to a fee of \$25.00 charged by this office for each check returned to us by your bank.
