

# Our Choices in 2021

**Protect the health and save the lives  
of our community members in Nome.**

**We are grateful a vaccine for COVID-19 has arrived in Nome.**

Please continue to be COVID-19 conscious as some community members receive the vaccine. Safety precautions will not change.

## **Keep Your Social Bubble Small – Very Small**

- Your bubble includes those you live with and those you have invited into your inner circle
- Create one very small social bubble with fewer than 10 people
- As local businesses re-open, please continue to practice COVID-19 safety precautions

## **Quarantine and Isolation**

**Quarantine** - Continue to follow local healthcare quarantine guidelines for travel and local healthcare quarantine guidelines when you are identified as a close contact to a person with COVID-19.

**Isolation** - If you test positive for COVID-19, please follow the recommendations of your healthcare professional for your health and please follow the isolation requirements of your healthcare professional for the health and safety of your family, friends and community.

**Stay diligent and follow the 3 Ws:  
Wear a mask • Wash hands and surfaces • Watch your distance**

**Let's get through this together and be stronger than ever!**
