18th May 2021

Dear Parents and Carers,

Attendance

School attendance remains mandatory as per the Government guidance applicable from the 8th March 2021 and therefore our usual attendance rules will apply. We have been asked by the Government to remind parents that even though restrictions are currently easing that holidays **should not** be taken during term time.

We know that some challenges around attendance this year have been COVID related, for example, a child may be feeling under the weather and may normally have attended pre-pandemic but because of concerns around COVID have 'erred on the side of caution'. It is due to this that we have not issued our usual half termly attendance letters which shows your child's attendance.

As we are now seeing lockdown easing, we will be starting to report regularly to you on your child's attendance. Please also be aware that in accordance with our attendance policy if your child is absent and that attendance is below 90% then you may be asked to provide medical evidence relating to their absence. Any attendance percentages exclude periods of isolation or bubble closures related to COVID.

We are hoping if restrictions continue to ease Rocky may even make an appearance again this year!

Kind regards

Gina Marsland
