Friday 7th June 2019

Dear Parent(s)/Carer(s),

Given our Ofsted inspection there is no newsletter this week but I wanted to write to thank you all for your support. For inspectors to find out as much as they can to make their judgements they work ceaselessly and tirelessly with no loss of focus. This places huge demands upon staff and pupils who worked even harder than the inspectors before and during their visit. It was therefore really moving and a great source of support to see your responses on Parentview which showed overwhelming positivity about our school:

I know that many of you will be keen to know the outcome of the inspection. We can only share this when the report is published. Today the lead inspector will write our report. It will then go through a rigorous quality assurance process with Ofsted before we get the draft report to check. Once agreed we will be notified and sent the final copy to publish. This process will take weeks rather than days so please be patient with us and know that we will make sure you get a copy once it is published.

I want to take this opportunity to also thank my staff and Abbey Multi Academy Trust for their work this week. Leaders and teachers have worked upwards of 17 hour days and the staff team pulled together as they always do. Staff from the central Abbey team walked alongside us throughout the 3 days and this was an enormous source of support.

I am sure you will join me in wishing all of the staff a restful well deserved weekend with families and loved ones who have been neglected this week. As the Headteacher of this school I have often said how blessed I am to have such a committed and passionate team. This extends not just to our staff team but also to the Abbey team who, behind the scenes, are very much part of the fabric of our school. As always they have my praise and gratitude.

Yours sincerely,

D. Foulke

Principal
