Dear Parents and Carers,

Year 6 Buddies

This year we have decided to introduce a buddy system into school, and each child in our year 6 class from September has been allocated a buddy in our new reception cohort. Throughout the year we will provide opportunities for year 6 and reception to work and to play together. It provides an opportunity for year 6 to have responsibility, and for our reception children to know the names and faces of some of our oldest children. It is always – in our experience – an absolute pleasure to see the relationships between the buddies develop throughout the year. With this in mind, your child will be receiving a letter from their buddy introducing themselves.

If you came into school recently to view uniform or hand in forms, then you will have already received the letter for your child. Please do not worry if you did not as these letters will be posted to your child in the next couple of weeks.

We would like to take this opportunity to wish you a restful and peaceful summer. September will come around quickly, and we are really looking forward to getting to know you and your children.

Kind regards

Gina Marsland
Head of School
