

OLNEY TOWN COUNCIL

RULES AND REGULATIONS FOR THE MANAGEMENT AND CONTROL OF OLNEY CEMETERY

- (1) In exercise of their powers under Article 3(1) of the Local Authorities Cemeteries Order 1977, made under Section 214(3) of the Local Government Act 1972, Olney Town Council hereby make the following Rules and Regulations for the management and control of the Olney Cemetery.
- (2) These Rules and Regulations shall come into force on 6th January 1997 and shall replace previous Rules and Regulations made by the Council.
- (3) Throughout these Rules and Regulations "The Council" means Olney Town Council, being the Council of the parish of Olney, in the county of Buckingham.
"The Cemetery" means the Cemetery provided by the Council, and situated in Church Street, Olney.
"Grave" means a burial place formed in the ground by excavation and without any internal wall of brickwork or any other artificial lining.
"Superintendent" means the employee of the Council appointed to be in charge of the Cemetery.

Interments

- (4) Notice of interment shall be given to the Clerk to the Council on the form provided for that purpose, and all details requested on the form must be given. The accuracy of the information shall be the responsibility of the person giving the notice.
- (5) Notice is to be given on all weekdays, Monday to Friday, between the hours of 9am and 2 pm at least two clear days before the date of the interment, in every case exclusive of any Bank Holiday, and no application can be received on Saturdays, Sundays and Bank Holidays.
- (6) All fees and charges shall be paid on giving notice.
- (7) The Registrar's Certificate of Burial or Cremation, or the coroner's order shall be given to the Council's employee supervising the burial on entering the Cemetery.

- (8) No interment shall be permitted on Sunday, Christmas Day, Good Friday, Bank Holidays, except in the case of extreme urgency, and where the consent of the Council has been given for the burial to take place.
- (9) No interment shall be permitted after 3.30 pm during the months of November, December, January, and February.

Graves

- (10) The selection of any grave space in the Cemetery, whether for ordinary burial or for purchase, is in all cases to be subject to the consent and approval of the Council and consistent with the general plan. Interments must take place in every grave space consecutively if the soil will permit until the whole area devoted to interments shall have been buried in or appropriated.
- (11) A person shall not, in the Cemetery, cause a body to be buried in a grave in such a manner that any part of the coffin is at a depth less than 3 feet (1 metre), below the level of the ground adjoining the grave.
- (12) A person shall not, in the Cemetery, cause a body to be buried in a grave unless the coffin is effectually separated from any other coffin already in the grave by means of a layer of earth not less than six inches (15.2 centimetres) in thickness.
- (13) Where, in the Cemetery, any grave is re-opened for the purpose of making another interment therein, a person shall not disturb any human remains interred therein, or remove therefrom any soil which is offensive.
- (14) All graves are to be dug and excavated under the supervision of the Council's Superintendent, care being taken that the earth used in filling in the grave is closely rammed down.
- (15) Coffins of bio-degradable materials only will be allowed in any grave.
- (16) Cremated remains shall be interred in a suitable urn approved by the Council.
- (17) Plans showing the whole of the graves and their respective classes are kept at the office of the Clerk to the Council, and may be inspected, without charge.
- (18) Every person who, in the Cemetery, buries a body in a grave shall, as soon as possible after the natural subsidence of the earth with which the grave has been filled in, cause the surface of the grave to be properly covered with fresh turf, or with any memorial approved by the Council, or shall cause the surface of the grave to be planted with flowers or other suitable vegetation as may be permitted by the Council. Ornaments or decorations must be subject to the approval of the Council. Pots, jars, tins, bottles and like articles for holding flowers will be permitted only if placed beneath the surface of the ground. Cut flowers, wreaths and mourning cards may be placed on graves, but must be removed when faded or decayed. No bottles with mourning cards therein are allowed on any grave. The display on any wreath or tribute of the maker's name or address is prohibited. No artificial wreaths, flowers, crosses or articles of a similar nature will be allowed to be placed on any grave.

- (19) The Council reserves the right to remove anything placed on any grave space which, in their opinion, is unsightly or undesirable, or is in contravention of the Rules and Regulations.

Exclusive Right of Burial

- (20) The exclusive right of burial will be granted in respect of a grave or a vault on payment of the appropriate fee, and a deed of grant in respect of the grave or vault will be made, indicating the terms under which the grant is made.
- (21) Every person who in the Cemetery, buries a body in a grave in respect of which the exclusive right of burial has been granted shall, as soon as possible after the natural subsidence of the earth with which the grave has been filled in, cause the surface of the grave to be properly covered with fresh turf, or with any memorial approved by the Council, or shall cause the surface of the grave to be planted with flowers or other suitable vegetation as may be permitted by the Council.
- (22) The consent in writing of the owner to any interment in a grave, the exclusive right of burial of which has been granted, must be left with the notice of interment at the office of the Clerk to the Council.
- (23) The exclusive right of burial in any ground shall not be transferred otherwise than with the consent of the Council. Every such transfer shall be made through the Council to whom the ground surrendered for the purpose of being transferred to the permitted transferee.
- (24) Exclusive Rights of Burial for any new grave will be issued for a period of one hundred years. Transfers of rights can take place and will be issued for the number of years remaining on the original grant at the time of transfer.

Memorials

Fixing of headstone should be in compliance with the National Association of Memorial Masons Recommended Code of Working Practice

- (25) No headstone, flat stone, tablet, or other memorial, except a vase not exceeding 18 inches (0.4 metres) in height shall be erected or placed on any grave, other than in the Garden of Remembrance, unless the exclusive right of burial in respect of that grave has been granted.
- (26) No headstone shall exceed the height of 4 feet (1.3 metres) above the level of the ground, and a width of 3 feet (1 metre).
- (27) No flat stone shall exceed 7 feet (2.3 metres) in length and 3 feet (1 metre) in width.
- (28) No monument shall exceed 7 feet (2.3 metres) in length and 3 feet (1 metre) in width, or 4 feet (1.3 metres) in height.

- (29) All gravestones, monuments, memorials and inscriptions are to be subject to the approval of the Council, and a copy of every inscription and a drawing of every gravestone or monument or memorial relating to such gravestone, monument, or memorial must be submitted to the Clerk to the Council for the Council's approval.
- (30) Approval will not be given for the erection of kerbs on any grave.
- (31) Wherever any stone or other memorial which has been put down or any grave is enclosed without the exclusive right of burial in respect of the grave space having been purchased, the rights of such parties to such memorial or enclosure shall be limited to the time when the grave can be re-opened for another interment, after which time the Council reserve the right to remove such stone, memorial, or enclosure. The Council may remove any memorial which in their opinion has fallen into decay.
- (32) The number of all graves must be cut at the foot of the stone in letters not less than 1 inch (25mm).
- (33) All foundations, fixing, and removal of memorials shall be executed under the control of the Council and any damage done to the walls, fences or ground in the course of any works executed by persons other than servants of the Council, shall be repaired by such persons.
- (34) No hewing or dressing of stone will be permitted within the Cemetery, and all materials, monuments and memorials shall be conveyed into the Cemetery by hand or in such a manner under the direction of the Council's employees as will avoid the cutting up of the roads or paths, and all mortar to be used in the Cemetery shall be brought to the ground ready for use. Mats, planks, boards, or canvas are to be used as directed to preserve the grass or roads from injury by such works.
- (35) No person shall, within the Cemetery solicit orders, exhibit designs, distribute business cards, or attempt to obtain from any employee information as to grave owners, nor to take measurements of, or photographs or copy any memorial unless the written permission of the owner thereof has been obtained, and is produced.
- (36) No person shall, on any memorial exhibit the maker's name, or any advertisement.
- (37) The Council will not be in any way responsible for the care of monuments, stones, or memorials or for any damage thereto.
