

OLNEY TOWN COUNCIL

21st December 2020

Dear Traders,

Yet again we are in a very difficult time with Tier 4.

As a Council we have been given some monies to assist with opening the High Street.

It comes at a time when many of you have had to close.

However, if you could give some thought to the future, difficult I know after this weekend.

The Town Council wish to make the distribution of the £7500 as unbureaucratic as possible.

To this end if you have extra costs that we can assist with such as the purchase of signage, sanitiser, masks, shields or gloves. Please contact us by email and we can quickly assess if it meets the "Opening the High Street " criteria an issue either the goods or the monies.

Equally if you can think of anything else that would be of help to your businesses, please let us know.

Regards,

Andrea Vincent
