

EMBERTON PARK UPDATE

Emberton Country Park will continue to re-open in line with current government guidance;

Café is currently open for a takeaway service only with ladies and disabled access toilets open (men's require repair and this has been booked in)

Public toilets in Block B will be open from 1 April

Static caravans (using own amenities) from 12 April

Shared amenities and camping from 17 May

Group bookings to be determined.

Deep clean arrangements are in place and this does mean that toilet opening times have been limited from 9.30am – 4pm Mon to Fri and remain the same at weekends and on bank holidays from 7am -7pm. The weekday opening times will remain under review.

Charging on the gate was implemented from 1 March, following a free winter period.
