**22 April 2021**

Dear Resident,

**Re: Repairs to Market Place, Olney.**

We will be doing resurfacing and repair work here from Tuesday 4 May to Wednesday 5 May. This will be done by Milton Keynes Council's service provider, Ringway.

The work will include:

1. Resurfacing parts of the Market Place carpark including the bell-mouths at the entrance and exit
2. Repairing pothole/s or other defects

It will be necessary to close the Market Place between Tuesday 4 May and Wednesday 5 May so we can carry out these works. Work will take place between the hours of 7:30am and 4:30pm

**Road resurfacing** - sometimes an area is closed off but there is no work visibly taking place, this is because the surface needs to cool and set first called 'curing'. Once this is complete, we can do any lining and other works before opening it up to vehicles again.

Every effort has been made to minimise disruption and noise whilst we carry out this work. All our work is subject to the right weather conditions. Any changes to our work schedule will be publicised on our social media channels, Facebook @mkcouncil1 and Twitter @mkcouncil and @ringway\_mk

Thank you

Chris Fripp  
Clerk of Works

Synergy Park, Chesney Wold, Bleak Hall, Milton Keynes, MK6 1LY
