

Wolf Eyes Japanese Dogwood Tree

Growth Rate Slow Mature Height 15' Mature Spread 15'

Zone 5 Temps (C) -28.9 to -23.3° Temps (F) -20 to -10°

The Wolf Eyes Japanese Dogwood gets its name from its striking variegated leaves, resembling the eyes of a wolf. In the Spring, this tree shows off large, star shaped white flowers, making it a beautiful addition to a flower garden. It's small size makes this tree perfect for small locations.

Fall Color- Pink and Red
