4. Lead and collaborate with the staff in the selection of a Child Development curriculum that includes an appropriate scope and sequence of skills and that also supports SCPC's mission, vision, and values.
5. Develop programs that minister to families, coaching and equipping parents to create Christ-centered communities and live missionally.
6. Ensure that all control and compliance documents are annually evaluated and updated, including child protection and safety practices, and ensure that all volunteers serving children and youth have been background checked and are properly trained.
7. Strategically connect and build relationships with local schools and leaders to connect SCPC to the wider community.
