

ANNUAL TENNIS AND PICKLEBALL TOURNAMENT

With construction in progress at Pine Lake Country Club, the golf and tennis events took place at different clubs on the same day.

Tennis was added to the golf event day when we looked over at the empty tennis courts at Pine Lake and thought we should fill them with non golfers.

Bob Sparks and Dale Prentice agreed and began the first Tennis Event over ten years ago. It was so much fun to have a full day of activities. Some people played tennis in the morning and golfed in the afternoon!

Bob and Dale turned the event over to Mike Sarafa and

Heather Mylod, who willingly stepped in. With the popularity of pickleball, they added the game and it has really taken off. This year there were over 60 pickleball players.

We are grateful to Mike and Heather for putting together such a great event and to all who donated beautiful chance raffle prizes and those who bought tickets.

Each player took home a water bottle and box of tennis racket shaped pasta as a door favor. So much fun!

Next year's event will take place August 12 at Pine Lake Country Club. Please save the date!
