

31ST ANNUAL GOLF CLASSIC HELD JULY 17 AT FOREST HILLS COUNTRY CLUB

This year's Angels' Place Golf Classic was held at Forest Lake Country Club of Bloomfield Hills in perfect weather. Chairs John Frasco and Tim Hildebrand and their committee: Schuyler Hamill, Pat McQueen, Jim Rivard, Bob Williams, Frank Jonna, and Bill Fodera planned a spectacular event for all, graciously sponsored by Joliat Ventures, LLC and Midwest Associates, Inc.

The morning started bright and early with Guy Gordon hosting his WJR 760AM morning show from the event. He interviewed CEO Tom Szczepanski and chairman of board Chris Nagle, who shared Angels' Place's current vision of making more of our homes supportive of residents' needs as they age: "I think everyone would love to 'age-in-place', but for our residents, some of whom have been together for ten, twenty, or even thirty years, they've become family to each other now, and it's really essential to our mission that we maintain that for them."

Both morning and afternoon golfers were treated on the course to visits from residents whose favorite part of the day is greeting folks from the golf cart. Golfers also enjoyed the hole-in-one challenge sponsored by North Brothers Ford with a chance to win a new Ford Bronco.

In the evening, golf, tennis, pickleball players and sponsors all joined together at the Forest Lake Country Club clubhouse. The evening was emceed by Guy Gordon, who auctioned the prizes.

The night took a breath-takingly generous turn when Kirk Gibson took the stage to inspire donations.

Thank you to our community for their outpouring of generosity surrounding this event!
