Roadside Assistance

Provided by
Signature Motor Club

Get trusted roadside assistance from Signature Motor Club, an Allstate company.

As a true end-to-end fleet management solution, Azuga Fleet brings you convenient, fast and reliable roadside assistance coverage as an affordable add-on to your fleet tracking solution.

Convenient: Request assistance with a quick call or the touch of a button in the Azuga FleetMobile app. Drivers can track the service provider's location so they can see when help will arrive.

Fast: End-to-end roadside assistance technology means that we locate a local service provider in seconds, not minutes (or hours).

Reliable: Vehicle stuck in a snowstorm in the middle of nowhere? No problem! Nationwide coverage means that wherever your fleet may go, your drivers can get services from a certified professional with the right equipment and skills to get them back on the road fast.

Roadside Assistance Services Included:

24 hours a day, 365 days a year, for the following services:

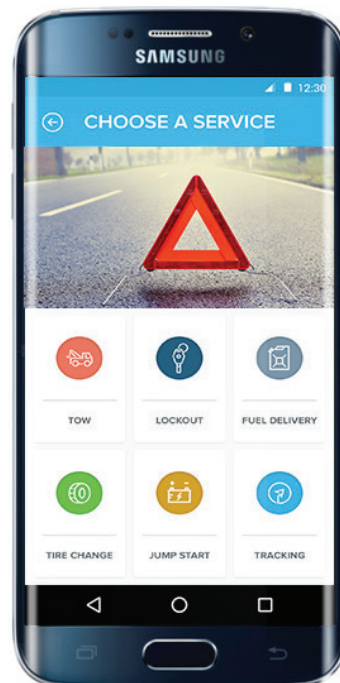

- Up to 10 miles of free towing
- Roadside winching if your vehicle is stuck in mud, snow or off the road
- Lockout service
- Jump-start
- Gasoline delivery
- Tire change (with working spare)

\$2.99
per vehicle
per month

1. Plan covers light-duty vehicles only. Vehicles must be listed in the member's account to be covered. Plan covers a maximum of 3 roadside services annually. Additional services will be billed at the expense of the customer. Medium and heavy-duty vehicle towing and roadside assistance services are also available at the expense of the customer.
2. Applies to light-duty vehicles. Mileage exceeding the 10-mile limit will be billed at the expense of the customer.
3. Fuel delivery includes up to 1 gallon of fuel. Customer is responsible for the cost of fuel.

ENSURE PREDICTABLE COSTS AND QUALITY SERVICE WHEN THEY ARE NEEDED MOST

Roadside Assistance from Signature Motor Club ensures that your team behind the wheel has access to a vetted network of quality service providers when they need it most—when something has gone wrong. Waiting until a breakdown to find a trustworthy provider makes it a challenge to find someone fast with the right equipment and fair pricing.

Fleet drivers summon certified professionals for roadside assistance via a phone call, or by using the Azuga FleetMobile app
