- Provide creative and strategic input in meetings and during project development
- Interact with medical experts across a number of assigned therapeutic areas
- Build and sustain successful client relationships
- Travel to client meetings and events as needed
- Keep abreast of advances and developments in a given therapeutic area

SV has built a dynamic team culture that nurtures and invests in people like you.

Our people:

Take a fresh approach.

They're passionate about the potential for medical communications to transform healthcare, and are motivated to develop themselves as part of developing their careers. They see what's possible, and want to work in an environment where asking 'why?', 'what if?' and 'so what?' is just part of the process of delivering creative and innovative projects.

Work smart.

They can zero in on the details while keeping the big picture – delivering the difference – in mind. They use planning and organization in order to stay flexible for and open to change in a fast-paced agency environment. They're comfortable working collaboratively and independently – and can quickly spot which approach is needed for a given situation.

Stay open.

They build client relationships through excellent communication, interpersonal skills, full transparency and continually seeking new information and ideas. They're able to accept constructive feedback, and use it as a catalyst for growth. They want to achieve personal and professional satisfaction.

Are real.

They're cyclists and artists and home chefs and bookworms and dog-lovers. They're funny and kind and quiet and loud and a little bit different. They're people like you.

SV delivers the difference to you with benefits including:

- Competitive salary
- Pension
- 26 days holiday pro-rata
- Flexible working
- Breakfast
- 4-day work week
- Season ticket loan
- Duvet days
- Birthday lie-in
- Perkbox rewards scheme
- Option to purchase additional holiday
- Childcare vouchers
- Employee assistance programme

Staying true to our vision means we now have offices in London, Worthing, Dublin and Sydney – securing a strong future for our employees and clients alike. As we look towards what's next for medical communications and SV, we want to know:

What's your vision?
