

Overview:

Block display polyester fabric 260gsm | F/SBLK

Block is our 100% knitted polyester fabric with a black resin coating on the back to give complete opacity for backdrop and framing systems. With a subtle matt finish that lends itself perfectly to powerful prints that get noticed, this premium looking fabric also has the soft touch of a traditional woven fabric. You'll be amazed by the exceptional looking displays that can be created with no show through.....

- Superior fabric look & feel with a slight stretch
- No creasing - can be folded and shipped direct to your customer
- Resin coated black back - no stickyness
- EN13501 & B1 Fire Rated
- Knitted polyester - no fraying
- Fully opaque for backdrop applications

Applications:

Perfect for top end looking, high quality point of sale and advertising. Block's flawless finish and superior looking results will keep your customer happy and make printing a pleasure.

Compatibility:

This product has been tested for use with the following ink technologies;

Latex
UV-Curable
Dye Sublimation

Usage and durability:

This product has been designed for front lit display and stretch frame systems where there is a need for high opacity and block out. Please note that the fabric will need finishing prior to application.
