

# Terramera

## Neem Oil

**Ingredient** 100% pure cold-pressed neem oil (no additives, solvent-free)  
derived from wild harvested neem seeds

**For Use as an Adjuvant / Agricultural Spray**

**Directions for Use:**

Spray foliage or drench the soil near the root zone of crops at a dilution of 0.5% (1:200). Add suitable emulsifier and preferably an OMRI listed surfactant before adding water to achieve the dilution. Stir vigorously. Use within 8 hours of mixing. For best results, repeat the spraying at intervals of 7 to 10 days.

**Keep away from direct sunlight. Store in cool, dark, dry place.**
