

# TDJ Golf Virtual Pro-Ams

*Drive new, risk free revenue while letting your staff focus on your cause.*

What is a virtual pro-am?

- Golfers choose 3 PGA Tour pros from that week's PGA Tour event creating their own virtual foursome
- Golfers earn points for how they play against their handicap and PGA Tour players earn points for how they play in their PGA Tour event
- Each virtual foursome competes with the other golfers' teams in your contest
- Golfers can play at the golf course of their choice over the course of a 4-day period that corresponds with the PGA Tour event (Thursday thru Sunday)
- The TDJ Golf app manages and scores the entire contest in real-time with LIVE leaderboards

The TDJ Golf team will work directly with your staff to design a perfect contest for your supporters.
