The Colour Code Challenge.

- Are your reactions up to speed? Match the colour of the timer to the tile to reveal the code.
- The person to reveal the code in quickest time goes top of the leaderboard! Careful not to lose a life!
- Once all 4 tiles are revealed you'll have a 4 digit code. What you do with is then up to you.
- Exclusive skill based reaction game.
- Combining elements of skill & luck, The CCC is sure to keep people enthused & fixated.

The Colour Code Challenge is ideal for all locations & occasions. It's silent, compact & portable.

- Multiplayer options available from the easy to manage desktop version, to a 4 player model. Add Infiniti panel for added visual impact.
- Flexible hire periods and a great option for office environments, road shows & retail events.
- You chose the objective of the code, complexity of the game, from how fast the timer counts down to the amount of lives a contestant has.
- Silent with low power required, but accompanied with branding & our 'top gear style' leaderboard, guaranteed to be of high impact.

The Giant Crane Game.

If you're looking for a Big WOW & some fun at your next event, our Giant Crane Game will do the job! One player tries to win prizes by moving the magnet or 'themed character' and attempting to grab a prize and drop it into the prize door. At a whopping 3m x 3m square, this game can be filled with all kinds of prizes; stuffed toys, games, small electronics, t-shirts, souvenirs, confectionary and more. This game is a fantastic way to gain exposure on your next trade show or exhibition floor!

*A challenge for all occasions from Exhibitions, Roadshows, product launches & more.

"Thank you also to you & your team for a great job on Saturday. The client loved The Cyclone™ & it was a great hit with the guests."

"As a brand launching into our industry, we knew we had to stand out at the biggest exhibition on our Calendar year. The Cyclone™ drove footfall to our stand that got us loads of attention! On top of that the team at Unique Ideas took care of everything, meaning I had 1 less thing to worry about."

–QUOTES & TESTIMONIALS.

"It was absolutely brilliant, The Cyclone™ looked great & from start to finish we were busy. It caused a great buzz around the office & bought out everyone's competitive side! Thank you very much for all the hard work."

I have used the team at Unique Ideas a few times now & cannot recommend them enough! We've used them across our group - each time we have been able to 'stand out.'

We design, build & brand all of The Cyclone's™ as well as own IPR & Trademarks across UK / EU / USA & Australia.
