The line's design combines traditional Chinese patterns with Mayan hieroglyphics. The pig is the 12th sign of the Chinese zodiac, and according to their tradition, there are 12 animals guarding the gates of Heaven. Meanwhile, on a different continent, the Mayas believed that we are all born with a Nahual, or spirit animal, that guides us through life.

The tobacco is handpicked in the renowned valleys of Jamastrán in Honduras and Jalapa in Nicaragua.

NICARAGUA

The tobacco of Cumpay, an authentic Nicaraguan “puro”, is growing in Nicaragua.

A REAL PURO

Cumpay is a medium-bodied cigar for the aficionado who truly wants to enjoy a well-balanced, full flavored cigar.

Cumpay cigars are:

- Hand made in Nicaragua
- 100% natural tobacco

CANDLES

LPuro candles immerse you into a unique, esthetic and initiatory experience.

100% made in France candle, 100% "hecho a mano"

LPuro sources the world's most precious perfume essences, the best and high quality raw material from Grasse, in the South of France, the cradle of the world's perfume industry.

The wax is elaborated specifically for each LPuro candle, in a French workshop where each stage is adapted after a long artisanal process. The mixture of several waxes (mineral and sometimes vegetal) is chosen by our wax master to obtain a quality of combustion and a perfect extraction of the perfumes.
