

Swivel

Get in on the Agile Economy

Supercharge your project leasing with modern real estate technology

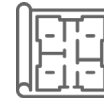

Join with Swivel to offer a radically new type of agile workspace, blending the flexibility of coworking with the choice of traditional leasing.

Why partner with Swivel?

A market of high-growth companies

Swivel's high-velocity digital marketing and network will supply you with a plethora of fast-growing, financially sound tenant candidates.

Modern online space showcasing

Swivel technology lets tenants visualize the full stylistic potential of your space, book tours, and request proposals online.

Faster occupancy and premium rent

With Swivel's Leasing Portal, you get co-branded proposal tools, online RFP response capability, tenant prequalification, and the ability to close deals in as little as 24 hours.

What spaces work with Swivel?

Swivel works great with spec suites and pre-built spaces less than 10,000 sq ft and available for 1-3 year leases on premium rates.

Want to get going?

Just drop us a line and we'll answer your questions about how to get on the fast track with Swivel's Accelerate Partner Program to cash in on the growing demand of high-growth companies.
