

AFSG Opportunity List - Veterans Fundraising Event 2020

Our AFSG club can only be vital if we all participate and help out with our many different events. We thank you for your club dues (\$10/person). However, we need your volunteer support as well! Below are the many different “opportunities” for you to choose from.

I am asking **each** member to choose at least two (2 hours total) of the “opportunities” listed below to help support our AFSG Club. This will mean two hours of your personal time. Many hands doing a few things is much better than a few hands doing too much! Thank you and please remember: “We shall never forget”
