

APPLICATION FOR ADDITIONAL MEMBERSHIP

MEMBERSHIP: Any person who is actively engaged in producing certified seed potatoes, and is an Idaho resident, is eligible for membership. The grower who makes application for certification will be the member for this farming operation. If you would like another qualified person from your farming operation to be a member and be able to receive notices and information pertaining to this application, so designate the person by giving the name, address and phone number and include a \$30.00 member fee for each additional member.

Applicant/Contact Person: _____
