# My Reception Classroom!

☆ ☆

This book belongs to:

---

These are my teachers:

Mrs Blackmore is my teacher. She will be in Reception two and a half days to teach me lots of new things.

Miss Holmes is my teacher and Early Years Lead. She will be in Reception every day to make sure I am happy and safe.

Mrs Barnett is my teacher. She will be in Reception three days to teach me lots of new things.

# Learning Support

Mrs Brooke is a teaching assistant. She will be in Reception four days to help lots of children play and learn!

Miss Wilson is a teaching assistant. She will be in Reception four days to help lots of children play and learn!

Mrs Bashir is a teaching assistant. She will be in Reception two days to help lots of children play and learn.

Miss Willard is a teaching assistant. She will be in Reception three days to help lots of children play and learn.

☆ ☆ ☆ ☆ ☆ ☆ ☆ ☆ ☆ ☆  
In September I am coming to  
Manston St James Primary  
Academy. This is what my  
school looks like.

☆ I will be in Reception  
Class. Let's look inside  
my classroom!

*There are two toilets.*

*One for boys:*

*And one for girls:*

*This is where I will go to the toilet. I will wash my hands in here after I have been to the toilet and before I have my dinner.*

*This is the cloakroom. I will have my own peg with my name on. I will hang my coat and my PE kit on my peg.*

In my classroom this is where I can build things. I can choose to get out blocks, lego, pretend grass, shells, dinosaurs and lots more!

This is where I can play with playdough. I can choose to get rolling pins, scissors, pasta, googly eyes, cutters, baking trays and lots more!

This is where I can do painting, gluing, making and creating! I can use junk to create anything I can imagine. Maybe I could make a spaceship, a car, a robot or even a flying house!

This is the carpet area and interactive whiteboard. I can do big drawings on the board and play phonics and maths games.

This is where I can look at books. I can sit on a cushion and even lie under a blanket! I can tell my favourite story to one of the puppets.

This is where I can find paper, colouring, envelopes, post it notes and writing books. I could write a note to my friends and family or I could write a story! (We can also write letters to our class fairy, she loves to reply!)

This is the prayer table and the mirror table. I can use the prayer table to reflect on our weekly value. I can use the mirror table to explore different shiny materials and talk about my discoveries.

This is the maths table. I can stretch my brain here whilst learning all about numbers and shape! The possibilities are endless.

*This is the outdoor area. I can play in the water, the sand or in the construction area. I can build incredible things out here. We have loved creating dens when it is raining and houses for our friends. We can also make obstacle courses or perform plays on the stage!*
